ATHENA *Finalist*

CARRIE BALDWIN

Carrie Baldwin, Director of Nursing at Bethany Rehabilitation & Health Care Center, has over 30 years' experience providing compassionate care. She entered the healthcare field as a Certified Nursing Assistant caring for her husband who was struck by a drunk driver in 1989. Inspired by the notion that her career could also be what she enjoyed; Carrie continued on to acquire both an LPN and RN license while working full-time. Throughout her career, Carrie has held the role of Nursing supervisor and Assistant Director of Nursing. She is certified in Business Management, Infection Prevention, Gerontology and currently pursuing a degree in Healthcare Administration. Carrie believes in giving 100% to every commitment. Work life balance can be a challenge; however, Carrie enjoys spending time with her husband, Lyle on their cattle farm, her son, Johnathon and her precocious grandchildren.
