

2021 ATHENA Finalist
Cindy Green-Deutsch

Cindy Green-Deutsch is a Branch Manager/Assistant Vice President for First Midwest Bank overseeing the DeKalb Lincoln Hwy location since early 2018. Cindy's career path began in college athletics which is how she found her way to DeKalb in 2007. After a stint at NIU in marketing, her ties to the community brought her to banking where she has stayed for more than twelve years. In her current role, she is tasked with developing and mentoring her staff, collaborating with other managers to encourage success of the market, participate in community activities, and provide a first-class experience for the bank's clients.

Community service is her passion, serving on numerous boards and committees that support enrichment and enhancement not only for the city of DeKalb, but the entire County. Highlights of service include board service with the Kishwaukee United Way, Voluntary Action Center of DeKalb, and the DeKalb Chamber of Commerce. Additionally, she volunteers her time as an EMT for the Shabbona Fire Department.

Cindy's free time is spent on the golf course, softball field, or a craft fair where she has a small candle business with her sister. She is blessed with a beautiful family including her husband Jamie, sons and wives Christian and Lexi, Anthony and Haley, and daughter Taylor, along with a grandson Brantley.
